

IMPORTANT INFO:

When you decide to participate in the Student Exhibition, you must be available on Saturday, October 6th to check in and set up your design in the exhibit area between 7:00 AM and 12:00 PM. No set up or entry into the exhibition area will be permitted after 12:00 PM sharp. The exhibition pieces will be on display at Koehler & Dramm for the duration of the Fall & Winter Classic Design Show, through the close of the show on Sunday, October 7th. You are responsible for retrieving your design at the end of the show on Sunday, October 7th; any remaining designs will be disposed of.

Continued education is critical to the development of floral design skills, and by participating in the student exhibition, you are taking a vital step towards becoming the designer you aspire to be! While your design will be evaluated and scored by our judges, we are not determining a winner or placements from your scores - the judges evaluations are for your knowledge and use in personal development only. This is to get you comfortable with critique and the evaluation process in a non-competitive environment. Next year, once you have gone through the exhibition process, we encourage you to enter at the professional level and explore how your work stacks up among industry professionals. The professional level competition is a great way to gauge your advancement as a designer, build on your experience, and establish a name for yourself within the floral community!

2019 FLORAL DESIGNER of the YEAR

STUDENT
EXHIBITION

ELEMENTAL
alchemy

STUDENT THEME:

ELEMENTAL alchemy

DATE:

Saturday, October 6th, 2018
at Koehler & Dramm's annual
Fall & Winter Classic Design Show

This year's student exhibition is all about the elements... the natural elements, that is!

Draw your inspiration from one or a combination of any of the four natural elements: earth, air, fire, and/or water. Use your design skills and creativity to create a floral design that is representative of your chosen element(s).

While we acknowledge that the science of alchemy in different cultures sometimes recognizes other elements in addition to earth, air, fire, and water, please limit your choices for this competition to the main four.

WHO QUALIFIES:

Any floriculture student who has or is currently attending the Koehler & Dramm Institute of Floristry or any accredited floral school, any student who has been in the floral industry three years or less, or any entry level designer working in a shop or studio.

Please note: Anyone who has won (placed first) in the student division in past competitions is not eligible to enter at the student level; you have earned your right of passage to the professional level! Also note that due to the student level classification as an "exhibition," there will be no winner or finalist placements awarded.

RULES & GUIDELINES:

1. There is no fee to participate in the Student Exhibition. When you sign up for our Fall & Winter Classic design show, you get free entry to the exhibition, but you MUST specify that you are entering at the student level. Cost of the show is \$45 early bird, or \$55 standard admission.
2. The wholesale cost must not exceed \$50.00. A minimum of 50% must be dedicated to fresh product, meaning fresh product must not fall below \$25.00 wholesale. All ingredients used MUST be available on the wholesale market; foraging is not permitted. The maximum allowed design space is 18" x 20" x 5' high.
3. ALL product used MUST have been purchased at Koehler & Dramm.
4. All entries must conform to any requirements by category and theme, such as size, materials used, and costs to qualify for judging. FAILURE TO MEET ANY CATEGORY REQUIREMENT WILL RESULT IN DISQUALIFICATION.
5. The design must be confined to the size requirements. Antiques and collectibles are not allowed. Props will not be judged.
6. "No Outlet Required" (battery operated) lights are permitted. ALL other electrical items such as lights, fountains, etc. are not allowed.
7. Entries are limited to one design per person. A number will be assigned to you at registration.
8. Each design entry must have a product allocation worksheet completed prior to arrival. You will receive this worksheet in the mail with your welcome packet, and will be available for download from the Koehler & Dramm website. All materials used in your design and the wholesale cost of each MUST be listed on this form, either typed or written legibly. DO NOT INCLUDE SHOP OR DESIGNER NAME ON THE WORKSHEET.
9. When you arrive at Koehler & Dramm, YOUR DESIGN MUST BE FINISHED. You may fine-tune it in your designated display area. You will check in with a Koehler & Dramm staff member. He/she will take your name and assign you a number. You will receive a packet of information with your number. Take your design to the corresponding number in the display area, place it, fine-tune it, place your product allocation worksheet in front of your design, and clean your area. Do NOT list your name or shop name on the design or anywhere in the area.
10. Designs MUST be in place by 12:00 PM sharp. The area must be vacated by everyone except the judges at 12:00 PM. *NO ONE MAY ENTER AFTER 12:00 PM*

RULES & GUIDELINES CONT'D:

11. There will be five qualified judges who are not employed at Koehler & Dramm. There will be one additional cost-product judge who may be an employee of Koehler & Dramm.
